**JOHN FARNHAM AND TOM JONES  
TOGETHER IN CONCERT &  
TOGETHER AT THE TOP OF THE DVD CHART!**

---

Confirming the Australian publics on going love affair with Australia Icon John Farnham as his latest DVD 'Together In Concert' recorded with Tom Jones debuts at #1.

John Farnham & Tom Jones, two of the worlds greatest voices joined forces for a series of Australian shows earlier this year. 'Together In Concert' is the recorded highlights from what was an incredibly entertaining show. The DVD includes three solo songs each from John and Tom as well as nine duets.

As the show reached its finale the guys powered through the duets, a few of which featured both John and Tom's respective bands at the same time. This meant that at one point in the concert there were twenty-five people on stage.
